

Fee Schedule

Effective 19 February 2024. All prices are inclusive of GST.

Our list of fees are as follows which are generally under the recommended rate set by the Australian Psychological Society (APS). These fees are subject to change. An out-of-pocket fee, sometimes called a gap fee, is the remaining outstanding cost after your Medicare Rebate is applied, should you be eligible. We aim to ensure that finances do not prevent you from accessing the help you need. If you have questions or concerns about finances, please speak with our friendly team or your treating professional.
